Elementary Student Time (Form 2S_E)

Description:

List the number of hours per grade/class that students spend on academic and nonacademic tasks.

Goal:

Collect data on the amount of time spent by students in academic and nonacademic settings.

Column Description:

Content Area – Subject or grade.

Academic Hours – Amount of time spent on academic subjects.

Nonacademic Hours – Amount of time spent on nonacademic subjects.

Total Hours – The program will add the academic and nonacademic columns.

Comments – Document any notable issues.
