

## Secondary Student Time (Form 2S\_S)

### Description:

List the number of hours per grade/class that students spend on academic and nonacademic tasks.

### Goal:

Collect data on the amount of time spent by students in academic and nonacademic settings.

### Column Description:

*Content Area* – Subject or grade.

*Academic Hours* – Amount of time spent on academic subjects.

*Nonacademic Hours* – Amount of time spent on nonacademic subjects.

*Total Hours* – The program will add the academic and nonacademic columns.

*Comments* – Document any notable issues.
